

POLICY FOR APPROVING BITCHES TO BE BRED:

All females (bitches) must be approved by the stud dog's owner before being accepted for breeding. Bitch owners must be willing and able to provide care for the litter and agree that no puppies from this resultant litter will be sold to pet shops or other wholesale outlets. Bitches must be in good health and condition at the time of breeding and must be free of hereditary defects, parasites, or infections. They must be of good conformation and temperament, and must be physically suitable for breeding to the selected male stud. To this end a recent veterinary certificate of health of the bitch may be requested. A culture or veterinary examination may be required at the bitch's owner's expense if any problem is suspected. A stud dog provides a valuable service and the bitch owner shall be liable for any loss of future service due to the bitch owner's concealment of health problems.

STUD OWNER'S RESPONSIBILITY:

Please note: We encourage owners to witness the breedings if at all possible. The bitch will be given proper care and handling, but the stud owner cannot accept responsibility for losses due to causes other than the negligence of the stud owner. Stud dogs are guaranteed to be in the same good health as required for the bitch.

STUD FEE:

The stud fee is \$950.00 cash to be paid in full at the time of service OR (at the discretion of the Stud Dog Owner) the pick of one puppy from the litter at the age of 5 - 6 weeks.

BOTH PARTIES ARE IN AGREEMENT THAT THIS STUD SERVICE FEE WILL BE PAID AS FOLLOWS:**GUARANTEE:**

If the cash fee is paid at the time of service and no puppies result from this mating, the Stud dog owner will provide the bitch with a free return service to any male stud of comparable stud fee owned by the above kennel, subject to the availability of the dog requested. If puppies are born as a result of this breeding but are lost due to negligence on behalf of the owner of the bitch, there will be no return of the fee paid and no return Stud service. Understood and agreed upon:

If the payment for this service is to be a pick of the litter puppy, the owner of the above kennel and stud dog guarantees at least two puppies living to the age of three weeks. One puppy will not constitute a litter. If two or more puppies are born as a result of this breeding but die due to negligence on behalf of the owner of the bitch, the stud dog owner will be paid the fair amount of Nine Hundred and Fifty Dollars (\$950.00) for his rightful puppy and this amount will be paid in full within thirty (30) days of the whelping date. Understood and agreed upon.

This contract shall be governed by the laws of Alberta to the exclusion of any other forum and constitutes the entire agreement between the parties.
